

Rohnert Park Cal Ripken Baseball

Extra Player Consent Form

Player Name: _____

Division (Circle one)

A AA AAA Majors

I authorize my child (named above) to be on the extra player list. I understand that as an extra player my child will be on call, if available, as stated in the "Extra Player Rule". If not available, the player will remain at the top of the list. If the team ends up with enough players, the "Extra Player" must still be used for the first 2-3 innings and get at least one at bat; at that time, if the team has enough players he/she will be free to leave the game if they choose to. In that case, the team cannot use the extra player over their own players after the extra players minimum play time has been completed.

Extra Player Rule:

1. Player must have signed consent form on file with the Player Agent.
2. Player will only be allowed to be an extra player in their current division.
3. Players will be placed in order by hat pick and will stay in that order.
4. As soon a Manager knows they will have less than 9 players they must contact the player agent to request an Extra Player.
5. Players being used as an extra player will not be allowed to pitch or catch during that game.
6. If the team that requested the extra player has at least 9 of their own players show for the game. The extra player will play for the first 2 innings and at least 1 at bat and be allowed to leave as agreed upon the extra player consent form.
